## INTRODUCTION

### Hi, i am Samuel Ojo Oluwadara

I am a multi disciplinary and explorative Designer, with a great passion for collaboration to creating efficient and effective design trends.

I see design as a tool for creating an incremental solution to the ever-evolving challenges in the day-to-day life of businesses.

I constantly aims at creating designs that are distinctive, unique, and evokes strong emotions. I have been a designer for over 5 years where i kept evolving and gaining a wide range of skills to stay relevant and tackle new challenges.

I am currently learning Ux Engineering and Brand Management to explore the marketing and conversion part of Design.

I am Highly proficient in prototyping, presentation, Creative Thinking, and lots more. My aim is to be equipped enough to be able to tackle any task with the available tool. And learning is never-ending for me. I am currently looking for an opportunity that requires his expertise in solving bigger challenges beyond
